RENT INCREASES & REHABILITATION SCHEMES

Residential Tenancies Branch (RTB) staff will be at November's Tenant Association Meeting to talk about rent increases, rehabilitation schemes, and to answer any questions you may have. We will review what types of rent increases are allowed under The Residential Tenancies Act. For example: According to The Annual Rent Increase Guideline, Landlords can give tenants three months written notice using the prescribed form. Sometimes, landlords need to increase the rent by more than the amount allowed by the guideline. In these cases, the landlord must apply to the RTB for a rent increase above the guideline. If this happens, the RTB will, after examine at the landlords information and hearing from tenants, set the rent. At the November's Tenant Association, we will also explore the two Rehabilitation Scheme Programs that landlords may participate in through the RTB and what that means for tenants - such as your rights as a tenant when a landlord decides to do a rehabilitation scheme and what happens when the work has been completed. Please come out and bring your questions with you! We are excited and hope you are too! For more information, please contact Cortney, Rental Safety Coordinator, at 204-783-5000 Ext. 107 or at rentalsafety@spenceneighbourhood.org.

SNA YOUTH ATHLETES EXCITED FORWARD TO SHINE!

The NBA season isn't the only basketball season starting this October as we have our own highly motivated basketball players eagerly training and practicing for their own upcoming season! The SNA Sports program is pleased to announce the formation of 3 youth teams that will be competing in the upcoming Winnipeg Minor Basketball Association (WMBA). Youth will be suiting up to represent the community in the following age divisions: 12 year old males (12B), 13-14 year old females (13-14G) and 14 year old males (14B). This year SNA Sports has seen a huge increase in returning athletes as they look to improve on last season's impressive development and results as well as a mix of new athletes filling the majority of our rosters completely! These teams will also see the return of some of last year's coaches who put in many long hours creating not only athletes but memories! SNA Sport would also like to welcome our new coaches and hope they learn to love training our amazing athletes as much as the returning coaches do! The demand for basketball has increased so much that SNA Youth has also been able to have former University of Manitoba Basketball player Xavier Smith to run basketball skills camp every Thursday night from 7pm to 8pm! All levels are encouraged and welcome. If you are an interested youth wanting to learn the game or develop further, or if you are a community member looking to see how you can help please contact Mel at 204-988-7635 or via sport@spenceneighbourhood.org.

BUILDING BELONGING & WATER POLO

The City of Winnipeg is offering SPIN Water Polo at the Kinsmen Sherbrook Pool every Tuesday from 4:30-5:30PM until June for our Building Belonging participants. SPIN Water Polo Registration Forms are available at the Magnus Eliason Recreation Centre (MERC - 430 Langside Street) front office. All you need after that is a towel and swimsuit to jump in! According to the City of Winnipeg website: "SPIN aims to eliminate barriers that inner-city children face to participate in organized sport programming."

Building Belonging's last day of program for 2017 will be Friday, December 22, 2017. We will be back to regular after-school programming (including safe walk) on Monday January 8, 2018. FOR THE LOVE OF TREES!

Trees are magnificent! In Spence Neighbourhood we are lucky that our streets and parks are home to some of the most beautiful trees in all of Winnipeg. We asked residents of all ages why trees are important for our neighbourhood. Here's what you said:

TREES ARE IMPORTANT BECAUSE THEY PRODUCE OXYGEN. WE NEED OXYGEN TO BREATHE.

- ELLANORE

TREES ARE PRETTY. I LIKE WATCHING THE LEAVES TURN COLOURS.

- SKYE

TREES GIVE US A TOUCH OF NATURE IN A CONCRETE JUNGLE. WHEN TREES GET CUT DOWN DUE TO DISEASE OR STORMS, I MISS THEM. A TREE WAS CUT DOWN IN FRONT OF MY APARTMENT BUILDING AND I FELT A SENSE OF LOSS. WE NEED TO PREVENT DUTCH ELM DISEASE.

- JOANNE

TREES GROUND OUR URBAN ENVIRONMENT BACK INTO MOTHER EARTH. THEY REMIND US THAT THERE IS SO MUCH MORE THAT IS OLDER AND GREATER THAN EACH OF US.

- MIRANDA

LEAFY TREES ALONG STREETS MAKE WALKING A PLEASURE. THEY GIVE US SHADE FROM THE SUNSHINE ON HOT SUMMER DAYS. IN WINTER THEY LET IN THE WARMTH OF THE SUN AS WE WALK.

- CYRIL

TREES ARE IDENTIFICATION MARKERS FOR DOGS.

- ANONYMOUS

TREES PROVIDE A HOME AND SHELTER FOR BIRDS, SQUIRRELS, BUGS AND A LOT OF OTHER ANIMALS.

- ANONYMOUS

TREES GIVE US FRUIT: APPLES, PEARS, CHERRIES. YUM!

- FATUMATA

OUR TREES MAKE A BEAUTIFUL CANOPY, AS YOU WALK, BIKE, OR DRIVE DOWN OUR STREETS. TREES PROVIDE US SHADE IN SUMMER, AND MAKE A LOVELY PICTURE IN THE FALL WITH A BURST OF COLORS, YELLOW, BROWNS, ORANGE, RED.

- JOANNE

THE TREES GIVE US SHADE AND PROTECTION FROM THE WEATHER.

- LARRY

IN FALL, LEAVES ARE FUN TO PLAY IN. I LIKE JUMPING IN A PILE OF LEAVES.

- AIMEE

I LIKE CLIMBING TREES.

- TIMOTHY

ANYTHING GREEN IN OUR NEIGHBOURHOOD IS A GOOD THING! JUST BEING AROUND TREES FEELS GOOD.

- SUSAN

Want to relax and reduce stress? Try forest bathing! Trees and plants emit phytoncides, organic compounds that have been shown to be beneficial to people. Originating in Japan, the idea of 'forest bathing' or shinrin-yoku is that being in nature brings peace of mind and health benefits. In Winnipeg we are lucky to have Assiniboine forest, one of Canada's largest urban forests, where you can take in natural surroundings and associated health benefits like reduced stress and increased energy. You can also enjoy any number of green spaces found throughout Spence neighborhood. Next time you are outside, breathe deeply, and notice the sounds and smells of nature around you. Take your time and give thanks to the many trees in our neighborhood!

Want to know more about trees, parks and outdoor spaces in Spence Neighbourhood? Get in touch with our Environment and Open Spaces Coordinator at greenimage@spenceneighbourhood.org or 204-783-5000 ext. 102.

WAHKOHTOWIN CONGRADULATS & WELCOMES:

All of us here at Wahkohtowin would like to say CONGRATULATIONS to our families who worked hard, engaged in programming, and who helped make it such a fun environment. Families will be graduating from Session 4 on November 30th! You all did such an amazing job and were such a blessing to get to know! We are thrilled we got to work together and grow in our skill-sets. We are excited to watch you continue to flourish and are here if you need us. - Love the Wahkohtowin team!

Wahkohtowin means kinship in Cree. Our program is 14 week certificate program. We operate every Thursday from 5-8PM and host workshops that focus on bonding, boundaries, and monitoring. Families who may be struggling with communication, day-to-day life, or are experiencing conflict within the home can come together in a good way and learn skills in a group setting. Mentors work outreach to ensure families have wrap-around services and are gaining as much from the program as possible. Child-minding and dinner is provided. Transportation available upon request.

The Wahkohtowin Strengthening Families Program is run in partnership between several Winnipeg organizations. Behind the workshops, dinners, events, and outings, there is a team of approximately 25 frontline mentors, coordinators, steering committee members, researchers, and a project manager working hard behind the scenes, doing outreach to spread the word in the community, and putting a lot of intentional thought into every area of the program.

The Wahkohtowin team, with members from Ka Ni Kanichihk, Ndinawe, IRCOM, University of Manitoba and SNA, has spent the last year and a half brainstorming together, sharing knowledge and experience, supporting one another and developing the program so that it would best suit and celebrate the diverse communities that would have access to it. People are stronger and wiser with the knowledge and support of others, so are programs.

Please join us for our **Open House on November 22, 2017**. 5-8PM in the WestEnd Common's Assembly Hall (365 McGee Street). We will be offering: free food and beverages; a silly family photo shoot station; an information hub; a craft table; and games and prizes!

Come out and meet the SNA Wahkohtowin team! If you are interested, you can also register your family for the next Wahkohtowin session, beginning December 14. Session 5 runs December 14 through March 29 (with break weeks of December 28 and January 4).

Contact Amber Ongenae for more information or to pre-register at 204-510-3780 or amber@spenceneighbourhoodassociation.org

NEW PROGRAMMING DATES FOR COMMUNITY CONNECTING

There are a few changes made to the regular Community Connecting schedule to accommodate the new Community Connecting Coordinator's schedule BUT most things will remain the same. For instance, Community Connecting Committee Meetings will be the first Thursday of every month; Kitchen Circle will be on the 3rd Thursday of the month; and Art with Gerry will be the 4th Thursday of the month. A Holiday Card making workshop is in the works for December! Please stay tuned for details.

Please note that our December hours will be affected due to holiday events and office closures. All information will be provided at our office at 615 Ellice Avenue as soon as it's available.

Thank you so much to volunteers and community members for their patience and support during this time of transition!

Kailey may be reached at 204-783-5000 Ext. 106 or at safety@spenceneighbourhood.org.

HELLO / GOODBYE: STAFF CHANGES

Recently, Mareike Brunelli, formerly SNA's Community Connecting Coordinator, moved to into a new role - Central Park, Centennial and West Alexander Neighbourhoods' Community Engagement Director. Thus, a new Community Connecting Coordinator is in town! Kailey Bradco, who worked with SNA this summer as the Community Connecting Assistant, is currently a student at the University of Winnipeg and is excited to be working as the Community Connecting Coordinator. Please know that Mareike continuous to work closely with us at SNA (so we still get to hear her big laugh, share in her silliness, and learn from her vault of knowledge).

Katie, a kind and dedicated youth worker, is moving on to bigger adventures. We are going to miss her and her hilarious and heart-felt humour, stories, and care. We wish you all the best Katie!

Hey! My name is Kelsey. I work as a Youth Mentor for Wahkohtowin and WE24. I'm excited to be a part of the team here at SNA! It's been a pleasure so far and I can't wait to be more aquatinted with the youth and families of this community! Contact Kelsey via kelsey@spenceneighbourhood.org.

Hi everyone, Makaria (Kari) here. As you may know, I'm not really a new staff but I have transitioned into a new role at SNA, once again. As of October 16 I shifted from working in the Building Belonging Program, into working primarily as a youth mentor in the Wahkohtowin Strengthening Families Program, and part-time in the West End 24 Hour Safe Space. I'm really excited to be able to work more in-depth with families, and to convey super fun and easy skills to help families grow and overcome obstacles together. Right now I'm working on a recruitment project to partner with the Like That program at Sunshine House and Peer Project for Youth at Rainbow Resource Centre to get LGBT2SQ+ youth and their families into our program for our December session. I look forward to seeing you in the community! Kari can be reached at kari@spenceneighbourhood.org.

Hey I'm Len! I have joined the Wahkohtowin program as an Adult Mentor and I will also be helping out in WE24. I formerly worked in an outreach program and love working in the community! I am excited for new learning opportunities and to get to know everyone here! Connect with Len via lenna@spenceneighbourhood.org.
