

Volunteer Application Form

Community Work is Heart Work

At SNA, we know about heart work. Our staff, Board of Directors, volunteers, and supporters are committed to revitalizing and renewing our community as well as activating and engaging our community members (who live, work, and visit here) in building and rebuilding our neighbourhood. We strive to achieve this through caring, connecting, and communicating.

Our volunteers help expand our programs and ensure our organization remains an important part of the community. They dedicate themselves to the neighbourhood, becoming an asset to SNA and the community. The relationship between our volunteers and the community ensures that we are enhancing our programming through the vision of the community, and that we are meeting their needs.

Our goal is to place volunteers in programs that are well suited to their individual interests and skills. We are always seeking volunteers who are creative and have new and innovative ideas for our programs.
